Grain Prices

WINNIPEG (CP) — Prices were somewhat irregular in dull trade as no export business was reported in Canadian coarse grains.

Some buying developed in barley believed to represent coverage of old sales. Domestic feed orders also showed in both oats and barley.

Flax was irregular and easier under light hedges and selling attributed to American interests and international accounts. Commercial demand was slow.

Weekend export wheat loadings included: United Kingdom 650,000 bushels, Pakistan 540,000, the Philippines 380,0 00Ther Netherlands 125,000, Belgium 75,000, and West Germany 30,000.
